CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED
Notes to financial statements for the year ended 31st March, 2014

1. Corporate Information

Chhattisgarh State Power Distribution Company limited (the Company) is a state government company incorporated under the Companies Act, 1956 with the main object of distribution and supply of electricity.

2. Significant Accounting Policies

a. Basis of Preparation of Financial Statements

The Company is a Limited Company registered under the Provisions of Companies Act, 1956. The Company is governed by the Electricity Act, 2003. The provisions of the Electricity Act, 2003 read with the rules made there under prevails wherever the same are inconsistent with the provisions of the Companies Act, 1956 in terms of Section 174 of the Electricity Act, 2003.

The financial statements are prepared under the historical cost convention and on accrual basis and in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") read with the General Circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. However, following items are accounted for on cash basis –

- Surcharge on Delayed Payment of HT Consumers.
- Rental from staff quarters.
- Earned Leave Encashment to Retiring Employees
- Liquidated damages and warranty claims.
- Audit Recoveries

b. Going Concern Concept

Financial statements of the Company are drawn up on the premise that its business will continue indefinitely.

c. Use of Estimates

The preparation of financial statements is in conformity with generally accepted accounting principles and requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and reported amounts of revenues and expenses during the reported period. Differences between actual results and estimates are recognized in the period in which results are known / materialized.

d. Consistency Concept

Uniform accounting policies are applied on the same basis from year to year. Even the accounting policies followed in respect of areas not specifically covered here after or in cases where departure from the prescribed accounting policy is permitted, is followed consistently from year to year.

e. True and fair Presentation

Accounts of the Company present a true and fair view of the financial position and results of operations of the Company. True and fair view implies the disclosure of all information necessary for a readers' understanding of the financial position and results of operations of the Company.

Additional information in the accounts or by way of notes is given where it is necessary to ensure true and fair presentation.

f. Offsetting of Assets and Liabilities

In the balance sheet of the Company, assets and liabilities are set off against each other only when a legal right of offset exists. Payables to one party are therefore not set off against receivables from the same-party unless the Company has a legal right to offset the two.

g. Events Occurring after the Balance Sheet Date:

All events or transactions occurring after the date of balance sheet and before the date of the auditors report are treated in the following manner:

Two types of subsequent events and transactions require consideration by the Company:

- a. The first type consists of those events that provide additional evidence with respect to the conditions that existed at the date of the balance sheet and affect the estimates necessary for accrual etc in the process of preparing annual accounts. All information that becomes available prior to the finalization of the annual accounts should be used in evaluating the conditions on which the estimates were based. The annual accounts are adjusted for any changes in estimates resulting from the use of such evidence.
- b. The second type consists of events that provide evidence with respect to conditions that did not exist at the balance sheet date but arose subsequent to that date. These events are not adjusted in the accounts however necessary disclosures are provided in the notes annexed.

h. Revenue Recognition:

Mercantile method of accounting is employed unless otherwise specifically stated. However, where the amount is immaterial /negligible and/or establishment of accrual/ determination of amount are not possible, no entries are made for the accrual. Electricity duty and cess recovered from consumers and forwarded to the Government is neither a cost nor an income to the Company and so the same has been kept out of the revenue account altogether.

i. Fixed Assets:

Fixed Assets of the company are recorded in the books of account and disclosed in annual accounts at Historical Cost. This policy implies that no revaluation of fixed assets is done for adjusting them to replacement cost, current cost etc. All material related cost, labour or contractor charges payable to outsider for work done by them in respect of capital jobs are included in the cost of concerned capital assets.

Land cost comprises of its purchase price, compensation, if any, paid on acquisition of land, legal charges and stamp duties, site preparation cost such as cost of leveling and filling and all incidental expenses incurred on the transfer, development and improvement of such land.

Any expenditure on repairs or rehabilitation of an asset purchased by the company (whether second hand or new) incurred before commissioning of asset or putting the asset in usable condition are treated as a cost of the capital assets.

An expenditure having the effect of extending the useful life of an asset or increasing output or capacity or efficiency of an asset or decreasing operating costs of an asset is 'improvement'. Expenditure on improvement may involve replacement of an existing asset or may not involve replacement of an existing asset. All expenditures on improvements are capitalized.

CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED
Notes to financial statements for the year ended 31st March, 2014

All capital expenditure is accounted for through capital work-in-progress accounts. On commissioning of the assets, the expenditure is transferred to appropriate fixed assets accounts. Commissioning of an asset is a technical matter, which involves consideration of various factors such as trial, testing to ensure whether the asset is in usable condition etc. Capitalization of assets is therefore done on issue of Asset Commissioning Certificate from the relevant Technical Authority/ management certificate of the Company.

j. Impairment of Assets

Impairment loss is provided to the extent the carrying amount exceeds their recoverable amount. An impairment loss is charged to the profit & loss Account in the year in which an asset is identified as impaired.

k. Investment:

Current investments are carried at the lower of cost or quoted/ fair value computed category wise. Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.

l. Contributions, Grants & Capital Subsidies towards Cost of Capital Assets

In accordance with the Accounting Standard 12 on "Accounting for Government Grant" issued by the Institute of Chartered Accountants of India, grant and subsidies received from government are recognized on certainty of its realization.

Amount receivable as consumer's contribution, subsidy or grant towards capital assets are credited to appropriate account set out in chart of Accounts only if the following conditions are satisfied:

- a. The amount is not subject to any conditions to be fulfilled by the Company; or
- b. The conditions attached to the amount have been fulfilled by the Company.

Consumer's contributions, capital subsidies and grants related to depreciable fixed assets are treated as deferred income and are recognized in the profit and loss statement on a systematic and rational basis over the useful life of the asset, i.e., such amounts are allocated to income over the periods and in the proportions in which depreciation on those assets is charged. Accounting for cost of a capital asset is done in the normal course without considering any contribution, subsidy or grants towards the cost of the asset. Depreciation are been charged in the normal course on the 'full cost' of the asset.

Consumers' contribution, capital subsidies and grants related to non-depreciable assets are credited in capital reserve. However, if a grant related to a non-depreciable asset requires the fulfillment of certain obligations, the grant are credited to income over the same period over which the cost of meeting such obligations is charged to income.

m. Expenditure on Project identification Survey and Feasibility Studies:

Expenditure incurred on identification, survey and feasibility studies of a project before the project is considered for sanction or rejection are accumulated in an account provided for the purpose. Later, if the project is rejected, the full amount of expenditure is charged to Revenue as infructuous capital expenditure in the year in which the project is rejected. If the project is sanctioned, the expenditure is charged to capital work-in-progress account for that project. Any expenditure incurred on detailed feasibility studies etc. after a project is sanctioned shall also be charged to the capital work-in-progress account for that project. The aggregate of expenditure incurred before and after sanction of a project are allocated over the "tangible" assets acquired /constructed under the project, in the same manner as the revenue expenditure chargeable to capital works are to be allocated.

n. Depreciation:

The Company has provided depreciation on straight line method to the extent of 90% of the cost of asset following the rates notified by the Chhattisgarh State Electricity Regulatory Commission (CSERC) pursuant to tariff regulation'2010.

Depreciation on additions/deletions of assets is provided on pro-rata basis from/up to the period for which the asset is available for use/disposal.

Where the life and / or efficiency of an asset is increased due to renovation and modernization, the expenditure thereon along with its unamortized depreciable amount is charged prospectively over the revised useful life determined by technical assessment.

Intangible assets are amortised @ 15% on straight line basis.

o. Inventories:

Items of inventories are measured at lower of cost or net realizable value after providing for obsolescence, if any. Cost comprises of all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Accounting for all materials transactions are in the same period in which the physical event of receipts and issues etc has taken place. Similarly, liability for all materials received and accepted by the company is created in the month in which the materials are accepted. Shortages/ Excesses found during the course of physical verification or otherwise are transferred under account head namely "Stock excess/ shortage pending investigation" classified under inventories. The cases of such excesses/ shortages are referred to a committee formed for the very purpose, balance under these account heads are transferred to profit and loss account only after final disposal of the case from the said committee, however adequate provision to the extent of shortages in inventory has been made till final write off of inventory.

p. Intangible Assets:

Intangible assets are stated at cost including the expenses related to the development of asset less accumulated amortization. Intangible assets are amortized @ 15% on straight line basis.

CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED
Notes to financial statements for the year ended 31st March, 2014

q. Retirement Benefits:

(i) Short Term Employee Benefits

The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as liability (accrued expense) after deducting any amount already paid.

(ii) Post-employment benefits: Defined contribution/ benefit plans

A separate trust in the name of CSEB Gratuity and Pension Fund Trust has been formed by erstwhile CSEB to mitigate the liability of pension and gratuity of its retiring employees. The trust is recognized under part B of Schedule IV of the Income Tax Act'1961. After the restructuring of erstwhile board, the successor companies have been contributing their respective share of pension and gratuity liability to the aforesaid trust. Accordingly, the company has contributed their share of pension and gratuity liability to the extent allowed by CSERC in its tariff petition. Moreover, company has also provided for the share of its deficit in the actual contribution vis-à-vis the stipulated contribution determined on the basis of actuarial valuation in its profit and loss account. However, earned leave encashment has been accounted on cash basis i.e. actual payment to retiring employees is charged in the profit and loss account.

r. Borrowing Cost:

Interest and other costs in connection with the borrowing of the funds to the extent related/attributed to the acquisition/construction of qualifying fixed assets are capitalized upto the date when such assets are ready for its intended use and other borrowing costs are charged to Profit & Loss Account.

s. Provisions, Contingent Liabilities and Contingent Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements. This accounting practice is in accordance with AS-29 "Provision, Contingent Liabilities and Contingent assets" issued by the Institute of Chartered accountants of India.

In accordance with the CSERC MYT Regulations, 2010 the Commission (CSERC) has allowed a provision for writing off of bad and doubtful debts to distribution licensee. A normative provision 1% of yearly revenue from the retail supply business is being allowed as bad and doubtful debt subject to actual writing off of bad and doubtful debts in the relevant year.

t. Foreign Currency Transaction:

All foreign currency transactions are accounted for at the rates prevailing on the dates of the transaction. Foreign currency assets/ liabilities are translated at the year end rates as applicable. Any income or expense on account of exchange rate difference either on settlement or on translation is recognized in the profit or loss account.

u. Prior Period Items:

Adjustments arising due to errors or omissions in the financial statements of earlier years are accounted under "Prior Period".

v. Earning per Share

In determining earning per share, the company considers the net profit/ loss after tax. The number of shares used in computing basic and diluted earnings per share is the weighted average number of shares outstanding during the period and equivalent number of shares held under share application money pending allotment.

w. Provision for Current and Deferred Tax:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses or disallowances of expenses under Income Tax Act, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. Further, the company recognizes deferred tax assets only to the extent that it has timing differences the reversal of which will result in sufficient income to absorb the recognized differed tax liability.

At each balance sheet date the Company re-assesses the unrecognized deferred tax assets and reviews the carrying amounts of deferred tax assets for the purposes of recognizing the same as per recognition principles.

12. Contingent liability not provided in the profit and loss account are as follows:

a. Contingent Liabilities arising due to Reorganization of MPEB into MPSEB and CSEB

- i. Vide notification dated 2nd November 2004, Central Govt. has appointed 15th November 2000 as date of dissolution of erstwhile MPEB. Further, vide notification dated 4th November 2004, assets & liability of erstwhile MPEB has been finally allocated between successor SEBs i.e. MPSEB and CSEB. Both orders has been challenged in Supreme Court by Govt. of Madhya Pradesh and MPSEB. The Hon'ble Supreme Court has dismissed the petition filed by MPSEB on dt. 13.9.2006 and the review petition filed were also dismissed on 18.01.2007. However, the civil suit filed by Govt. of MP is pending. Accordingly, any liability arising on the settlement of civil suit will have an adverse implication on the successor companies of erstwhile CSEB.
- ii. On bifurcation of erstwhile state of Madhya Pradesh, MPEB had sustained tax loss of ₹ 1,422.46 Cr and ₹ 993.65 Cr in FY 1999-2000 and FY 2000-01 respectively, aggregating to ₹ 2,416.11 Cr. As per section 65 of Madhya Pradesh Reorganization Act (MPRA), the Central Government has been empowered to make rules for bifurcation of these tax losses of MPEB between MPSEB and CSEB. However, no such rules have been made by the Central Government so far.
- iii. In the absence of such rules, for the purpose of this computation, CSEB has claimed its share of ₹ 554.98 Cr in the brought forward tax losses of MPEB in power consumption ratio of 77.03:22.97 (MPSEB:CSEB), as laid down by the Central Government in its Notification dated November 4th, 2004 for allocation of current assets and liabilities of MPEB. Board's tax liabilities may vary based on the outcome of Rules to be issued by Central Government u/s 65 of MPRA 2000. Accordingly, any liability arising on non-framing of said rules may have an adverse financial implication on the successor companies of erstwhile CSEB.
- iv. After the re-organization of the erstwhile MPEB and subsequent formation of successor boards i.e. MPSEB and CSEB, the matter regarding apportionment of pension and gratuity liabilities between the two boards has not been settled so far. The pension and gratuity liabilities were to be apportioned between MPSEB and CSEB in accordance with Schedule - VI of the M.P. Reorganization Act - 2000 and settled on yearly basis. In a meeting convened by Ministry of power, Government of India on 22.12.2008 at New Delhi, it was mutually agreed between MPSEB and CSEB that the pension liability shall be settled between MPSEB and CSEB under one time settlement. The actuary firm, M/s Thanawala Consultancy Services was appointed on mutual consent of MPSEB and CSPHCL for carrying out actuarial valuation for the purpose of calculating the one time settlement amount. The firm had submitted its draft report. However certain discrepancies were observed in the data furnished by MPSEB which were likely to impact the settlement amount to a considerable extent. This was brought to the notice of actuary firm and MPSEB and it was requested to verify and furnish the corrected data. MPSEB has not made available the correct data. As such the liability in this regard cannot be ascertained at present. However, total liability of CSEB on this account shall devolve on successor companies, i.e. CSPGCL, CSPTCL and CSPDCL.

CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED
Notes to financial statements for the year ended 31st March, 2014

- v. Erstwhile MPEB has filed Income Tax Return for FY 1999-2000 and 2000-01 beyond the due date as prescribed in the Income Tax Act. The MPSEB had filed application for condonation of delay before CBDT. Accordingly the delay in filing of return for AY 2000-01 has been condoned by CBDT, whereas no relief had been granted for AY 1999-2000. CSEB has also moved application for condonation of delay of return filed by MPSEB for these years and CBDT has taken same view in the application of MPSEB. CSPHCL has filed a writ petition against order of CBDT before Hon'ble High Court of Bilaspur, any adverse outcome of the case will have financial implication on the successor companies of erstwhile CSEB.
- b. The demand has been raised against Board by Income Tax department after income assessment of AY 2003-04 & onwards. The Board has filed appeal against order and cases are pending before various authorities. The liability may be arising based on outcome of the case. The year wise gross disputed demand and tax paid against such liabilities are as under :-

Sl. No.	Assessment Year	Gross Tax Liability demanded in Crores	Unpaid Tax Liability in Crores	Authority before which case is pending
1	2003-04	277.38	144.81	Pending before Hon'ble High Court of Chhattisgarh & Appellate Tribunal, Mumbai
2	2006-07	269.60	249.60	Income Tax Appellate Tribunal (ITAT), Mumbai has passed order in favour of CSEB. However, jurisdictional Assessing Officer has wrongly interpreted the above factual and legal position and also the orders of CIT (Appeal) and ITAT, and has assessed the income at ₹ 840.75 Crs & served a demand notice of ₹ 269.60 crore in the matter. The appeal filed against above demand notice before CIT (Appeal) has been dismissed. CSPHCL is in the process of filing appeals and stay applications before the second appellate authority within the time as stipulated under the provisions of Income tax Act.
3	2007-08	168.49	-	The matter is pending before CIT (A) / ITAT.
4	2008-09	92.19	-	
5	2009-10	266.49	-	

Any adverse outcome in the Income Tax cases referred above will have an adverse financial implication on the successor companies i.e. CSPGCL, CSPDCL and CSPTCL of erstwhile CSEB.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED

We have audited the accompanying financial statements of CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED, which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") read with the General Circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

Major comments and observations based on our audits which in our opinion are significant and required provisions in the financial statements in certain cases mentioned herein. The net aggregate impact of non-provision on the loss for the year and/or on the value of assets/liabilities is ₹ 358.24 Crore and also there are cases as stated in para below wherein the quantum of impact though material is unascertainable. The distinguished reasons have been mentioned in our note below:

- a. Company has provided its share of deficit of pension & gratuity liabilities amounting to ₹ 1347.22 Cr, as per Actuarial Valuation carried out for 31st March'11, (Refer Note No.20 of the financial statement). It has been informed that actuarial valuation for pension & gratuity liabilities as at 31st March'2014, 31st March'2013 and 31st March'2012 is still under process, the incremental liability as on the balance sheet date i.e. 31st March'14 is therefore unascertainable, and accordingly there is an understatement of loss with corresponding understatement of liability to that extent and non compliance of Accounting Standard 15 issued by ICAI regarding "Employee Benefits".
- b. Company has adopted cash system for accounting of earned leave encashment to its retiring employees which in our opinion is not in accordance with mandatory Accounting Standard 15 issued by ICAI regarding "Employee Benefits". In the absence of necessary information, the quantum of such liability as at 31st March'2014 is indeterminate.
- c. The company capitalized fixed asset amounting to ₹ 222.63 Cr. received from Govt. of Chhattisgarh (GOCG) to operate and maintain said assets under RGGVY Scheme and respectively credited the capital reserve ₹ 222.63 Cr. Since the assets are not owned by CSPDCL, therefore, in our opinion, fixed assets is overstated by ₹ 222.63 Cr. and capital reserve is overstated by ₹ 222.63 Cr.
- d. Company has adopted cash system for accounting of delay payment surcharge from High Tension Consumers which in our opinion is not in accordance with mandatory Accounting Standard 9 issued by ICAI and accordingly, there is an overstatement of loss with corresponding understatement of debtors to the tune of ₹ 358.24 cr. (Also refer note no. No. 23 of the financial statement)
- e. Pursuant to disclosure under note no.29 of the financial statement, balances of State Government Loan, Bonds and Debentures, Loans and Advances (assets and liabilities) and Sundry Creditors are subject to confirmation and reconciliation. The effect of the adjustment arising from reconciliation and settlement of old dues and possible loss which may arise on account of non-recovery or partial recovery of such dues is not ascertained. Thus we are unable to comment upon the impact thereof on the accounts and the loss for the period.
- f. Bank balances includes bank account maintained at Regional Accounting Offices, the same are subject to reconciliation.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the comment under *Basis for Qualified Opinion above*, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- (b) in the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date
