MANAGEMENT REPLY

TO

AUDITORS COMMENTS THERETO ON THE FINANCIAL STATEMENTS

OF THE COMPANY

MANAGEMENT REPLY

The Company has stated in Para of 'Significant Accounting Policies' that the impairment loss charged to Statement of Profit and Loss in the year in which an asset is identified as impaired as per Accounting Standard 28. However, in the absence of techno economic assessment, we are unable to comment on the effect of the same on the Financial Statements of the Company.

The objective of Accounting standard 28 is to ensure that the assets are carried in books at no more than their recoverable amount and if any asset is carried at more than its recoverable amount through use or sale of assets the asset should be described as impaired and the enterprise should recognize an impairment loss. Further, as the determination of valuation of asset in terms of its remaining economic benefit and remaining useful life is a matter of technical assessment. A technical committee for assessment of impairment loss has been formed for next year Accounts.

<u>CSPDCL_DIRECTORS' REPORT_2015-16_ANNEXURE - 'B'</u>

b. Employee Benefits

The company has made a lump sum provision of Rs. 447.88 Crore for earned leave encashment to its retiring employees which is subject to actuarial valuation which is not in accordance with mandatory Accounting Standard 15 issued by ICAI regarding "Employee Benefits".

Since there was no actuarial report available, CSPDCL had made an assessment of employee benefits on the basis of provision made by CSPTCL on the basis of actuarial valuation by taking proportionate amount on the basis of number of employees. For the current year an actuarial valuer has been appointed and provision for earned leave encashment for FY 2016-17 will be done on the basis of actuarial valuation report.

c. Cash System of Accounting

The Company has adopted cash system for accounting of delay payment surcharge from High Tension Consumers which in our opinion is not in accordance with mandatory Accounting standard 9 issued by ICAI and accordingly, there is an overstatement of loss with corresponding understatement of debtors to the tune of Rs. 165.11 Crore (PY Rs. 275.63 Crore) (Also refer note No. 8.1 to the financial statements). Following items are also accounted for on Cash basis—

- . Rental from staff quarters.
- . Liquidated damages and warranty claims.
- . Interest on Bond with NPCIL.
- . Audit Recoveries.

d. Confirmation and Reconciliation of receivable and payables

Pursuant to disclosure under note 24 to the Financial Statements, Bonds and Debentures,

There are disputed arrears of revenue from SECR (South East Central Railways) and East Coast Railways since the year 1992-93. The dispute over arrear amount is under arbitration. Therefore, any surcharge calculated over this arrear is only notional and would be subject to order under arbitration process. So, although billing is being done in SAP system to the consumers including surcharge but for accounting purposes the cash basis of accounting is being followed for true and fair view of accounts to show only actually realised surcharge.

Reconciliation of CPSU Power Purchase creditors, bonds debentures and loans is

Loan and Advances (assets and liabilities) and sundry creditors and debtors are subject to confirmation and reconciliation. The effect of the adjustment arising from reconciliation and settlement of old dues and possible loss which may arise on account of non-recovery or partial recovery of such dues is not ascertained. Thus we are unable to comment upon impact thereof on the accounts and loss for the period.

done on regular basis. These reconciliation. statements have been shown to audit. The debtors and creditors are very large in number. We have written letters to creditors/debtors on sample basis. In case where debtors are paying without any protest, it is assumed that balance is reconciled. The balance in debtors account as on 31st march 2016 can be checked with the amount received in the next month. Further the LT consumers are in lakhs and reconciliation is cumbersome. The disputed cases of major large parties are under arbitration. The replies of large organisations have also been sent to the auditors directly.

e. Bank Reconciliation

Bank Balances as per Financial Statements of the Company as at 31.03.2016 are subject to reconciliation with Bank balances as per well as RAOs except following. Bank. The Bank reconciliation Statement as on 31.03.2016 is now complete at HO as

Account-II (Receipt Account) Raipur-I - ICICI Bank Ambikapur – SBI and Gramin Bank Janigir Champa – UBI

The preparation of these statements is in process and will be completed before next year audit.

f. Deemed Deposits under Companies Act 2013

As per the information given to us, Company has not maintained age wise details of Sundry Creditors and Sundry Debtors, thus we are unable to comment on Deemed Deposits as per Sec 73 to 76 of Companies Act 2013.

Age wise report of debtors is available in SAP system and was also provided to the auditors. However, Age wise report of creditors is not available in SAP system. Deemed deposits as per section 73-76 is applicable only for sub-clause (a) & (c) of clause XH of Rule 2 of Companies (Acceptance of Deposits) Rules, 2014. The sub-clause (c) does not require age wise details of security deposit. The sub-clause (a) requires age wise details of advances for more than one year. This has resulted in understatement of Other Current Liabilities and understatement of Other Expenses as well as Loss by Rs. 13.98 crore.	 A provision should be recognized when: an enterprise has a present obligation as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation. 6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. Annexure B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CHHATTISGARH STATE POWER DISTRIBUTION COMPANY LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design. implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, except as stated below, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

software and opening balances as per financial statements. Further as per information and explanation provided, the differences that arose at the first time adoption of Accounting Software "SAP" has still not been corrected and reconciled. The figures of the current year transaction derived from the Accounting Software are manually adjusted for the figures arrived from the previous year closing figures to arrive at the current year closing figure as reported in the Balance Sheet.

Bank reconciliation has not been done at Regional offices of the Company resulting in differences with Bank balances as per Bank.

g. Events Occurring after the Balance Sheet Date:

All events or transactions occurring after the date of balance sheet and before the date of the auditors report are treated in the following manner:

Two types of subsequent events and transactions require consideration by the Company:

- a. The first type consists of those events that provide additional evidence with respect to the conditions that existed at the date of the balance sheet and affect the estimates necessary for accrual etc in the process of preparing annual accounts. All information that becomes available prior to the finalization of the annual accounts should be used in evaluating the conditions on which the estimates were based. The annual accounts are adjusted for any changes in estimates resulting from the use of such evidence.
- b. The second type consists of events that provide evidence with respect to conditions that did not exist at the balance sheet date but arose subsequent to that date. These events are not adjusted in the accounts however necessary disclosures are provided in the notes annexed.

However, where the amount is immaterial /negligible and/or establishment of accrual/ determination of amount are not possible, no entries are made for the accrual. Electricity duty and cess recovered from consumers and forwarded to the Government is neither a cost nor an income to the Company and so the same has been kept out of the revenue account altogether.

i. Fixed Assets:

Fixed Assets of the company are recorded in the books of account and disclosed in annual accounts at Historical Cost. This policy implies that no revaluation of fixed assets is done for adjusting them to replacement cost, current cost etc. All material related cost, labour or contractor charges payable to outsider for work done by them in respect of capital jobs are included in the cost of concerned capital assets.

Notes to financial statements for the year ended 31st March, 2016

or may not involve replacement of an existing asset. All expenditures on improvements are capitalized.

All capital expenditure is accounted for through capital work-in-progress accounts. On commissioning of the assets, the expenditure is transferred to appropriate fixed assets accounts. Commissioning of an asset is a technical matter, which involves consideration of various factors such as trial, testing to ensure whether the asset is in usable condition etc. Capitalization of assets is therefore done on issue of Asset Commissioning Certificate from the relevant Technical Authority/ management certificate of the Company.

Consumer's contributions, capital subsidies and grants related to depreciable fixed assets are treated as deferred income and are recognized in the profit and loss statement on a systematic and rational basis over the useful life of the asset, i.e., such amounts are allocated to income over the periods and in the proportions in which depreciation on those assets is charged. Accounting for cost of a capital asset is done in the normal course without considering any contribution, subsidy or grants towards the cost of the asset. Depreciation are been charged in the normal course on the 'full cost' of the asset.

 - ii. On bifurcation of erstwhile state of Madhya Pradesh, MPEB had sustained tax loss of ₹ 1,422.46 Crore and ₹ 993.65 Crore in FY 1999-2000 and FY 2000-01 respectively, aggregating to ₹ 2,416.11 Crore As per section 65 of Madhya Pradesh Reorganization Act (MPRA), the Central Government has been empowered to make rules for bifurcation of these tax losses of MPEB between MPSEB and CSEB. However, no such rules have been made by the Central Government so far.
 - iii. In the absence of such rules, for the purpose of this computation, CSEB has claimed its share of ₹ 554.98 Crore in the brought forward tax losses of MPEB in power consumption ratio of 77.03:22.97 (MPSEB:CSEB), as laid down by the Central Government in its Notification dated November 4th, 2004 for allocation of current assets and liabilities of MPEB. Board's tax liabilities may vary based on the outcome of Rules to be issued by Central Government u/s 65 of MPRA 2000. Accordingly, any liability arising on non-framing of said rules may have an adverse financial implication on the successor companies of erstwhile CSEB.
 - iv. After the re-organization of the erstwhile MPEB and subsequent formation of successor boards i.e. MPSEB and CSEB, the matter regarding apportionment of pension and gratuity liabilities between the two boards has not been settled so far. The pension and gratuity liabilities were to be apportioned between MPSEB and CSEB in accordance with Schedule - VI of the M.P. Reorganization Act - 2000 and settled on yearly basis. In a meeting convened by Ministry of power, Government of India on 22.12.2008 at New Delhi, it was mutually agreed between MPSEB and CSEB that the pension liability shall be settled between MPSEB and CSEB under one time settlement. The actuary firm, M/s Thanawala Consultancy Services was appointed on mutual consent of MPSEB and CSPHCL for carrying out actuarial valuation for the purpose of calculating the one time settlement amount. The firm had submitted its draft report. However certain discrepancies were observed in the data furnished by MPSEB which were likely to impact the settlement amount to a considerable extent. This was brought to the notice of actuary firm and MPSEB and it was requested to verify and furnish the corrected data. MPSEB has not made available the correct data. As such the liability in this regard cannot be ascertained at present. However, total liability of CSEB on this account shall devolve on successor companies, i.e. CSPGCL, CSPTCL and CSPDCL.
 - v. Erstwhile MPEB has filed Income Tax Return for FY 1999-2000 and 2000-01 beyond the due date as prescribed in the Income Tax Act. The MPSEB had filed application for condonation of delay before CBDT. Accordingly the delay in filing of return for AY 2000-01 has been condoned by CBDT, whereas no relief had been granted for AY 1999-2000. CSEB has also moved application for condonation of delay of return filed by MPSEB for these years and CBDT has taken same view in the application of MPSEB. CSPHCL has filed a writ petition against order of CBDT before Hon'ble High Court of Bilaspur, Accordingly any adverse outcome of the case will have financial implication on the successor companies of erstwhile CSEB.
